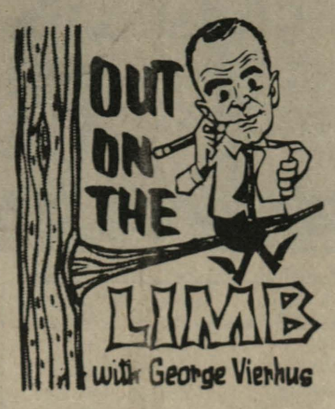
Serving the Hub of the West Valley Since 1895

Vol. 80 No. 21 Wednesday, May 24, 1972 10¢

378-9136 35 Dillon Avenue, Campbell, California



SINCE MAY 1, FORMER Fire Chief George Maxwell of Campbell has been director of public safety of the borough of Anchorage, Alaska.

Maxwell served for 14 years as chief of the Campbell Fire Department. He retired to accept the Alaskan position. He made an outstanding record while heading the local department.

George and his wife, Dorothy, were honored at a retirement dinner attended by more than 200 well-wishers on April 7 and on April 17 they headed for the northland in their motor home.

A long letter from George to us this past week brought us up-to-date as to the expe-

riences on their trip and the ensuing problems of settling down and adjusting in Anchorage.

We thought you might be interested in some excerpts from George's letter.

IN HIS LETTER GEORGE hoped we were not too shocked to hear from him but he really had intended to write sooner..."But can you see us living in our motor home looking for a place to live and trying to get ready for my budget..."

He goes on: "We left Campbell on Tuesday, April 17 (a bit sad to say the least)."

They arrived in Seattle Friday (April 21) after visiting his sister in Oregon on the way.

They loaded on the ferry in the afternoon and then tried to relax..."But all I could think of was how I had changed my and Dorothy's life nearly overnight."

On the ferry Maxwell studied his department's budget, little knowing, at the time however, that the budget hearing had been postponed until his arrival in Anchorage.

THE MAXWELLS GOT off the ferry at Haines, Alaska. After greeting the fire chief there, they were on the way on their own wheels again.

Soon they entered Canada and the Yukon area. The roads were not up to expectation..."They (the roads) were still frozen. But the same old story: 'You should have been a week earlier or a week later!...

"Well to make a long story short, the road was rough... and the going was slow. We made 70 miles in about six hours. Then the roads got fairly good...But guess what? It started to snow. And I mean snow! We ended up having to put on chains before we could make the last hill."

..."We stayed at Haines junction. It was cold. About 10 above in the daytime and 5-below at night."...

George wasn't too impressed with that immediate area: "...All we saw was snow and rolling hills for the next day or so"...

Then they entered Matanuska Valley.

George relates..."This is where they grow cabbage 30-inches or more in size and strawberries the size of your coffee-cup. But don't ask me how." He added that he plans to visit the valley in a month or so and send us some pictures.

Anchorage was only an hour and half from Matanuska and unlike some of the other waterfront towns they had seen on their trek, Anchorage is not much different than cities in our area, George notes.

They arrived on April 26

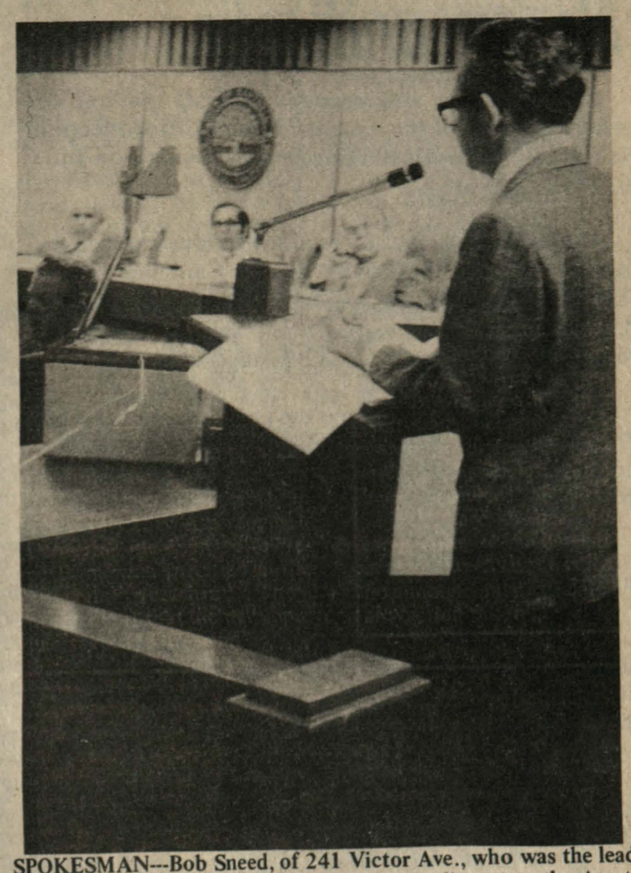
JUST A "LITTLE" AFFAIR---Floyd Little, owner of the A&W drive-in on Winchester Blvd. was honored at the City Council meeting on Monday in a unique ceremony. Little was awarded a plaque by the Beautification Committee for the development of his own "mini-park" next to the drive-in and for his continued support of civic activities.

A 30-foot banner was unrolled at the ceremony on which personal messages had been attached by many citizens of the community. The banner proclaimed in huge letters "TO FLOYD WITH LOVE" acknowledging his devotion to his community. (Last Thursday, at the annual community recognition dinner, Little was also the recipient of the annual citizen-of-the-year award of the Police Department.)

Present at the presentation ceremony on Monday were members of the Little family pictured in the upper left. From the left, Philip, Tracy, grandsons; Mrs. Jean Black, daughter, Pam, granddaughter, and Mr. and Mrs. Little.

The banner is pictured on the right. Mrs. Pete Yerkovich is holding it in the top photo and Mrs. Edith Morley is shown in the lower picture. Not pictured is Terry Watson who also assisted in the banner display.

In the lower left photo, Mrs. Jeanette Watson, chairman of the Beautification Committee (left) awards the plaque. Next to her is her son, Joe, who presented Mrs. Little with a bouquet. In the other photo, Little, with Mrs. Little by his side, responds.



SPOKESMAN---Bob Sneed, of 241 Victor Ave., who was the leading spokesman for the residents in the area adjacent to the Amato property who objected to the proposed development on the property approved by City Council, was on hand at the City Council meeting Monday when the first reading was given the ordinance rescinding the Council's action.

The residents had filed a petition with 1759 verified signatures on a referendum petition which directed the Council to either repeal the ordinance or call an election. Sneed also called attention to the Council to a new law, effective Jan. 1, 1973, that would force the general plan of a city to correspond to the zoning in effect.

One of the sticky problems in the long-pending Amato issue was that the entire 31-acre parcel was zoned R-1 (single-family) whereas the general plan calls for low, medium and high density on the acreage. The victorious residents were adamant in their eight-month battle that the property should remain all R-1.

APPEAL FOR APPLICANTS

Nine openings now exist on city advisory boards

There are nine vacancies now existing on city commissions, the City Council learned Monday night.

Concerned with the unfilled positions, the Council appealed to those interested in taking active part in civic affairs to file with the city clerk.

Two of the vacancies exist on the nine-member Youth Advisory Commission caused by the election of Rusty Hammer to the City Council and the resignation of Moira Leyva which was accepted on Monday night.

Miss Leyva, who had served for 18 months, in her letter to the City Council said she was resigning with regret. "I have enjoyed being a part of the Commission," she wrote, "and feel that it was time well spent. I think I have done the best I could, but I also think that it is time for someone else to take over and take part in the workings of the city."

Moira is the daughter of Mr. and Mrs. Dick Leyva. Leyva formerly principal of San Tomas School is now affiliated with the Mountain View School District.

The other seven commission spots are on the newly-established seven-member Civic Improvement Commission which takes the place of the beautification committee and will have other functions relating to overall civic betterment.

It was indicated at the Council meeting that only four people have submitted applications thus far for this new commission which is anticipated to play an increasingly important part in the future development of the community.

Police also honor Little

At the sixth annual community recognition dinner held by the Police Department at the Royal Fork, Floyd Little, operator of the A&W Drive-In at 2145 Winchester Blvd., was named citizen-of-the-year by the department.

Sgt. Frank Furtaw was named officer-of-the-year and Eric Pearson reserve officer-of-the-year.

Police Chief Don Burr presided at the event at which Assemblyman Dick Hayden was the principal speaker. Hayden presented a framed resolution to Mrs. Connie Morgan, wife of stricken former Police Chief John D. Morgan, for Morgan's efforts in fostering citizen involvement in the department's program.

Morgan, who was stricken in February, 1971, initiated the annual community recognition dinners.

Council awards contract for Virginia Ave. project

Virginia Ave. between Campbell Ave. and Bucknall will be improved at an approximate total cost of $68,-362.60 with the City of Campbell picking up the tab for $44,532.67 from street bond funds and the property owners paying $23,830.03.

On Monday night the City Council on Local Improvement District No. 22 that has been formed awarded the contract for the street job to Leo F. Piazza for $55,125.70 which is about 16% below the engineer's estimate.

There were nine bids, ranging from Piazza's to a high of $69,117.15. The improvements will be done on the one-third, two-thirds formula that has been used in the improvement of other residential streets.

In another matter affecting a major outlay for street improvements, the Council directed that bids be called for the signalization at the Hacienda-Winchester Blvd. The engineer's estimate for the job is $176,000 and a federal grant under the TOPICS program will pay $118,000 of the cost.

On Monday night, the Council also approved the boundary agreement between San Jose and Campbell that places unincorporated areas in five locations in specific spheres of influence for the two cities.

The agreement specifies that the area west of Leigh would go to Campbell and east of that street to San Jose. On the south, San Jose would get that north of Camden and Campbell south and on the western side of town, Regina Way would go to Campbell and Kenroth to San Jose. A portion of Rosemary would be Campbell.

The Council also agreed to detach a sliver north of Hamilton to San Jose.

The Council also approved the prezoning and the annexation of approximately 50 acres off Union Ave., despite protests of property owners on Duncanville. However, the protests only amounted to approximately 16% of the total

Council 'repeals' zone ordinance

It was a "repealing" action not a "rescinding" one on Monday night.

By an unanimous vote, the City Council gave first reading to the ordinance "repealing" Ordinance 832 that had changed the zoning on the 31-acre Amato property between Campbell Ave. and Latimer.

By the action Monday night the property will revert to its R-1 (single-family) status 30-days after the second reading is given the rescinding ordinance on June 12. That action was an eight-month battle in which the residents in the area were aligned against the developer, Dura Style Homes.

The ordinance that is being repealed would have changed the zoning on the property to P-D (planned development) to allow a combination single-family town house project. That ordinance would have gone into effect on April 27, but prior to the effective date, a referendum petition was filed (1759 verified signatures) which forced the City Council to either rescind the ordinance or call a special election on the issue.

The Council elected to rescind. In addition to the referendum petition, Mike Engdol, of Dura Style Homes, by letter had asked that action be taken.

In giving first reading on Monday to the ordinance repealing the rezoning action, the Council acceded to another request of the objecting citizens.

Bob Sneed, of 241 Victor, and Frank Klein, of 172 Branbury, leaders in the long fight against the rezoning, asked that the word "rescind", in the ordinance that had been drafted by City Attorney Bob Dempster, be changed to "repeal" as was specified in the citizens' petition. They pointed out that the developer had specified "rescind".

They also suggested that the ordinance should specify the action was being taken because of the petition.

Dempster explained that it was not necessary to give the reason for the action in the ordinance but conceded that "repeal" and "rescind" meant the same thing and it made no difference in that respect.

Councilman Norm Paul then moved that the ordinance be "repealed".

However, it took a little maneuvering to get a second to the motion.

Mayor Bill Podgorsek, unhitched his microphone harness, handed the gavel to Vice-Mayor Dean Chamberlin, then seconded Paul's motion.

The motion, however, carried without a dissenting vote.

Later in the meeting, Sneed called attention to new legislation that would affect property in which the city's general plan called for different zoning than that in effect.

BOARD TO MEET

Trustees of Campbell Union (elementary) School District will meet this Thursday, May 25, in the administration building and a light agenda again faces the board.

However, another of the continuing executive sessions, involving litigation and personnel, has again been scheduled.

The board has been holding a series of such sessions in recent weeks but has made no announcement to date on any action taken.

Building permits to date top last year by $2 million

Building permits issued by the City of Campbell at the end of the first four months this year have exceeded the same period for last year by $2 million. April accounted for $1,373,389 of the four-month total of $7.2 million, according to Wally Byron, city building official.

April also was the top month for the past four years in permits for single-family dwellings, with 11 such permits issued to the Kunkel-Thomas development at Sunnyoaks and Virginia on Sunnybriar Court. The permits for this single-family project totalled $230,997.

Topping the month, however, dollarwise were two permits for multiples for a total of $1,103,821. One permit went to Pacheco & Associates for a 125-unit complex at 710 Nido Drive for $1,049,-166 and the other was for a four-unit apartment for LaCom Builders at 710 West Valley Drive for $54,655.

There was one permit for an industrial building issued during the month to Ed Anderson at 125 Dillon Ave., for $17,165.

During April there were 11 alteration permits issued for $19,121 and four swimming pools for $14,000.

So far this year there have been 13 single-family dwelling permits for $230,997, compared to none at this time last year. There have been six commercial buildings for $4.6 million compared to 12 last year for $1.2 million and one industrial for $17,176 as opposed to seven last year for $470,843.

Since the first of the year there have been 11 permits issued for swimming pools for $38,600. There were nine last year to date for $31,600.

Jury finds pair guilty of murder

A Superior Court jury last week found two men guilty of first degree murder and armed robbery of a 65-year-old Campbell man, Burl Fortney, who was shot to death in the parking lot of the Riverside Shopping Center of Hamilton last May.

The trial lasted nine days and the jury took 16 hours of deliberation in finding Charles Clayton, 23, of 1583 Sundown Lane, San Jose and Stanley Rush, 27, now serving in the state prison for receiving stolen property.

The men were charged with killing Fortney with a shotgun blast after he was held up in the parking lot behind Cisco's Bar in the shopping center on W. Hamilton Ave.

The Campbell police painstakingly developed the clues in the case which involved tracing the ownership of the gun through many transfers.

The two men were originally indicted by the Grand Jury last year but before trial the district attorney's office was unable to locate an eyewitness to the slaying and the original charges were dismissed.

Subsequently the witness was found in Pennsylvania and the Grand Jury in April indicted the pair for the second time.

"Smoggy-the-Frog" to aid JayCees in exhaust check

"Smoggy-the-Frog" will assist the Campbell JayCees this Saturday and Sunday (May 27-28) from 10 a.m. to 5 p.m. in the north parking lot at the PruneYard in a free vehicle exhaust checkup program.

The purpose of the free checkup is to emphasize that drivers who do not realize that their cars are air polluters can do something about it.

"Smoggy-the-Frog" has become the symbol of the anti-air pollution campaign in which the JayCees plan to take a leading role. The free exhaust checkup next Saturday and Sunday takes only two minutes, according to Bruce Johnson, JayCee chairman, and bumper stickers will be available to all those who participate.

"Smoggy", through Johnson, points out that automobiles account for between 70-80% of the smog in Santa Clara Valley. "Smoggy-the-Frog" also adds that "Your car's breath is killing me. Take a giant LEAP for mankind, let's exhaust air pollution."

PERSONAL FOLLOW-UP---Third graders from Hamilton School, in letters to The Campbell Press and Councilman Rusty Hammer, recently called attention to the lack of litter containers on a clean-up route they had followed to Campbell Park. A few of the youngsters were on hand at the City Council meeting Monday as sort of a follow-up and were introduced by Mayor Bill Podgorsek.

Editorial

No on unification

California law still requires that all non-unified school districts of the state hold a unification election in conjunction with the presidential primary on June 6, 1972.

Thus on June 6, the voters in the various elementary school districts that make up the Campbell Union High School District (Campbell, Moreland, Cambrian, Union and Burbank) will cast their ballots on whether the high school district should be unified.

This marks the third time the proposal has been before the voters. And, as we have in the previous two times, we oppose the single district reorganizational plan.

We unhesitatingly recommend a "No" vote on the unification measure.

We submit that the huge district that would be formed by the unification of the five elementary school districts would be too unwieldy to make for an efficient operation and that nothing would be gained.

It has long been our contention that mere bigness of a governmental agency does not mean that more efficiency and savings will result.

As a matter of fact, in many instances, it has been found that the cost increases with the size.

We concede, of course, that "bigness" is a relative term and that it would be entirely possible that a unification of some of the elementary districts could conceivably be a progressive step.

But the County Committee on School District Organization has not submitted any alternate proposals to the electorate.

State law requires that the proposal last approved by the State Board of Education be submitted. Hence the total unification of the Campbell Union High School District, approved by the State Board of Education prior to the last unification election four years ago, will be voted upon.

The objectives as stated of unification, obviously, are commendable.

Unification is supposed to provide a continuous coordinated program of education; provide better educational programs for funds expended; removes some of the artificial school district boundaries; broadens and expands financial resources; stimulates community cohesiveness by eliminating separate districts; provides potential for greater accountability for educational results and coordinates philosophy of education within the community.

And, of course, if these objectives actually could be achieved in a district the size of a unified Campbell Union High School District, it would be beneficial to all of us.

But, it is our contention, that the magnitude of the proposed district will weaken the structure to such an extent that instead of achieving the commendable objectives the district will be over-balanced by its own weight.

Obviously the desires of the people in one area in the district will be different than in others. Thus the objective of a continuous program of a coordinated education will not be of value.

And, it is our opinion, community cohesiveness can not be achieved when the "community" is expanded to such an extent as would be the case in a unified Campbell Union High School District.

The county committee noted that its members were acutely aware of the vast variances of local support through property tax and admitted that it had no right or control over taxes levied. The committee, however, must, by law, recommend maximum general purpose tax rates to be placed on the ballot. However, levying of these rates, as well as override taxes not required to be voted upon, is the responsibility of the school board that is elected by the community.

The committee then has submitted that the proposed unified district tax recommended would be $6.498. That compares to the overall current Campbell elementary district rate of $6.484; Burbank's $5.493; Cambrian $6.800; Moreland $6.292 and Union $6.635.

We contend, however, that it does not necessarily hold true that the $6.498 rate will be sufficient. But our objection to the proposal hinges on another factor.

We reiterate that a unified Campbell Union High School District would be too vast to be effective and that it would be too far removed from the people.

Therefore, we recommend a "NO" vote on unification in the June 6 election.

and parked their motor home in a trailer park. Then they started to look for two things... a car and a home.

MAXWELL FURTHER reports that finding the car was easy but finding a home was quite another matter.

They found a couple they liked but when they learned the price they were "stunned".

So they went back to their motor home.

George adds: "We have been here about three weeks and I still haven't adjusted to prices..." However, he admits the houses are built better and have more room....

They are now living in a new two bedroom apartment for $265 a month and only a mile from work...

MAXWELL'S FIRST staff meeting on his new job was held on Monday, May 1 with 18 of his top staff personnel in attendance. He went right to work, for he was informed that the entire budget for the department would have to be ready by May 11.

George writes that he was better prepared than he thought he would be.

He got right into the thick of things at the start, apparently, by advocating a comprehensive para-medic ambulance service with a budget allocation of $433,609.

Maxwell enclosed a newspaper clipping relative to the subject.

..."The borough's newly appointed director of public safety, George Maxwell, voiced great enthusiasm for the program, noting he had assisted with the implementation of a similar program in California that showed startling results in the number of persons saved by para-medical crews..."

Formerly the City of Anchorage provided ambulance service to the borough on a contract basis, so this was quite a major fiscal step for the borough. We note in the newspaper story that the project was subsequently approved by the Borough Assembly.

The news story also directly quotes Campbell's former chief: "Our main objective is to provide better protection and better response to our borough residents," Maxwell said."

It looks like Maxwell already is warming up things a bit in Alaska.

ANOTHER MESSAGE this week deserves recognition.

We received a card from former Postmaster Jim Hurley, who, with his wife, Rita, is touring Europe.

Jim's card was mailed in Zurich on Sunday, May 15, and we received it Wednesday.

That's pretty good traveling speed for a card, we thought.

Here's Jim's message from "Zurich und die Alpen": "Greetings, We are spending four days here (Zurich) resting up after our trip thru Portugal, Spain, southern France, Lourdes and Italy.

"It is cold here today in Zurich. Beautiful city and country. We are both o.k. and enjoying ourselves. We are traveling by train and seeing quite a bit of the country plus all the side trips.

"Best wishes, Jim and Rita Hurley."

IN PROTESTING THE proposed zone change for property on East Campbell Avenue at a Planning Commission hearing last week, John M. Chargin, a San Jose attorney representing one of the property owners involved, shook things up a bit by suggesting that it was entirely conceivable that all of East Campbell Avenue, now one of the most attractive residential streets in town, someday would all be developed commercially.

Chargin, who before moving out of the city, was a councilman and mayor and before that a planning commissioner. Obviously he must have been well aware that he was lighting a fuse by making such a suggestion.

The current zoning issue involves parcels on East Campbell Avenue just off Bascom that have been commercially zoned for many years.

However, the parcels are currently residential in use and not commercial. The Planning Commission initiated the zone change to make the zoning and the use compatible.

In other words, the present zoning would be changed to residential.

In addition, it was felt that all commercial uses in the area should be oriented to Bascom and not to the residential side streets.

-0-

CHARGIN WAS REPRESENTING Mrs. Anna Tock, owner of one of the parcels now used for residential purposes. She formerly owned the corner which has been sold to California Savings and Loan; It originally was all one parcel, Chargin claimed.

Opposing the zone change also were the owners, the Martin family, of the lot across the street at the rear of La Fonda on which a single-family residence is located.

The Martins, who also own La Fonda and other Bascom frontage, want to develop the lot to the rear of La Fonda commercially to tie in with their other commercial developments.

Maurice Martin, representing the owners, discounted objections to the commercial aspect.

He claimed that the objections were being raised by people on the street some distance away in the "boondocks".

We thought that was an interesting commentary.

Inasmuch as William L. DOK who resides on the street had offered vigorous objections to any more commercial encroachment.

We have a hunch that Dok will be joined by others from the "boondocks" next time.

Maybe there is a "Boon" on the street also.

Tom State of First National moves to Sunnyvale branch

First National Bank in Campbell has a new manager.

On May 15, E.P. (Pete) Edwards became manager of the Campbell office replacing Tom State who has been appointed manager of the bank's Sunnyvale branch, according to Howard W. Rathbun, First National's president.

State, who is president of the Campbell Kiwanis Club, has been manager of the Campbell branch since September, 1969.

Edwards, born in England, attended San Jose City College and the University of Kentucky. He also has completed various American Institute of Banking classes. Prior to joining First National, Edwards had nine years of banking experience with two other California banks.

Before his appointment as manager, he was assistant manager of the bank's Los Altos Office. Edwards is currently on the Board of Governors of the American Institute of Banking and a member of the Los Altos Kiwanis Club. Edwards, his wife, son and two daughters reside in San Jose.

State joined First National in May of 1967 as assistant manager of the Beverly-Burbank Office, San Jose. State brought with him to First National thirteen years prior banking experience.

In September of 1968 he was appointed Manager of the Campbell Office and in February 1970 was named assistant Vice-President.

State has been active in community activities in addition to his Kiwanis Club activities; he is past director of the Campbell Chamber of Commerce and active in the Heart Fund, Red Cross, Cancer Society and Y.M.C.A. State, his wife and three children reside in Campbell.

assessed valuation of the property.

With Councilman Rusty Hammer dissenting the Council went on record opposing Proposition 9 on the June 6 ballot and approved the concept for landscaping plan of Los Gatos Creek that has been drafted by the Santa Clara County Flood Control and Water District.

The plan which was displayed on the wall of the council chambers was described by Mrs. Edith Morley, chairman of the Parks and Recreation Commission.

Mrs. Morley estimated that it would cost the city about $20,000 to landscape the city's portion but that the project was about 10 years away.

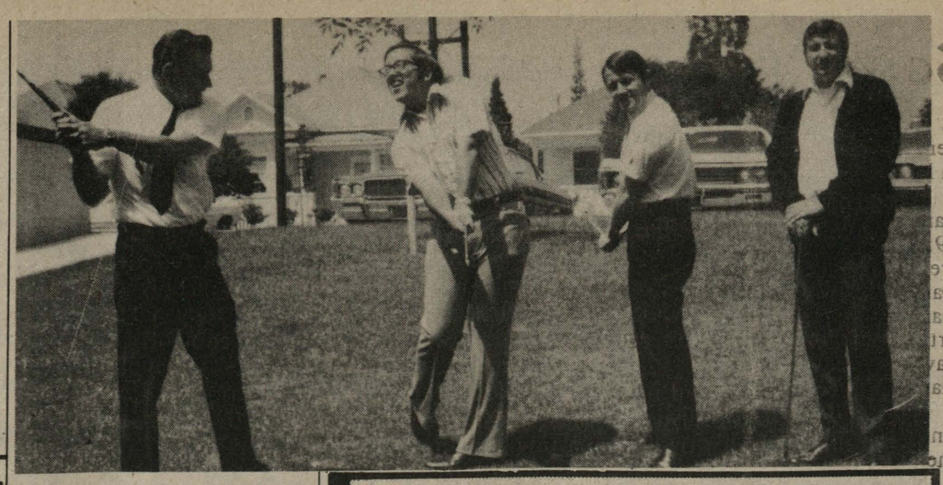
The Council also went on record favoring the county park Measure C on the June 6 ballot.

The Council took no official action on the suggestion that a Santa Clara County Commission on Human Relations be formed but several councilmen indicated they favored such a proposal when pressed by Mrs. Jean Cushman of Cupertino who was present at the meeting.

But the Council unanimously voted to oppose Measure A which would allow a southern bay bridge crossing.

At the suggestion of Councilman Hammer, City Attorney Bob Dempster was directed to look into the problem of signs, especially for barber shops, that are placed on vehicles that are parked in lots all day.

The Council adopted a resolution expressing appreciation for the service to the City of Campbell rendered by Merrill Grim, who served for a long period of time, as a Planning Commissioner.



REAL SWINGERS---The above foursome, from left to right, acting Fire Chief Gene Borden, Councilman Rusty Hammer, John Ruppel, administrative assistant to the city manager, and Kent Kirkorian, local developer, claim they have never played golf. But this week they were pictured swinging clubs on the city hall lawn in preparation for the Fourth Annual Chamber of Commerce golf tournament on Friday, June 9 at Oak Ridge on Cottle Road.

According to Ira Kirkorian, chairman of the event, this formidable foursome may enter the tournament and just could make up for their lack of knowledge of the game with a will to win in competing for the many trophies that will be offered for the gala event that begins with a shotgun tee-off at 12:30 p.m. and ends with a 5:30 social hour followed by the trophy steak dinner. The tournament is open to members and guests and reservations must be made with the Chamber of Commerce (378-6252).

Would you vote to Stop all Truck and Freight Train Transportation in California?

You certainly wouldn't if you happen to be one of the 1,000,000 Californians who work directly in the transportation industry! You'd lose your job within a few days after election.

And if you think about it for a minute or two, you realize that no matter what you do for a living, you'd be in serious trouble.

Businesses of all kinds would no longer be able to market their products.

Farm crops would rot in the fields and on the trees.

Unemployment would reach staggering proportions.

You wouldn't be able to provide yourself and your family with the basic necessities of life!

Nobody in his right mind would vote "yes" on such a stupid, vicious proposal. Yet that's what you're being asked to do when you go to the polls on June 6 to vote on Proposition No. 9—the Pollution Initiative.

Down in the fine print, Proposition No. 9 contains an innocent-sounding provision limiting the content of sulfur in diesel fuel sold for use in internal combustion engines in Californa to .035 per cent.

The limit now in effect is .5 per cent—14 times as much!

The very small amount of diesel fuel now available that would meet this ridiculous requirement is insufficient even to fill the needs of public transit buses, which run on the lowest sulfur content diesel now in production.

If Proposition No. 9 should pass, the next day the great majority of trucks and diesel-powered freight locomotives would have to stop running—because there would be no "legal" fuel available to operate them!

It would take an undetermined period of time—two years?—six years?—nobody knows for sure, before refineries could be adapted at enormous expense to produce diesel fuel in the quantity needed to meet our transportation needs.

Knowing the facts, nobody in his right mind would vote for Proposition No. 9.

LOSING YOUR JOB WON'T SOLVE POLLUTION!

And voting for Proposition No. 9 won't solve pollution. The Technical Advisory Committee of the Air Resources Board of California reports that even if the sulfur content of diesel fuel required by Proposition No. 9 could be achieved, it would reduce sulfur-dioxide emissions in Los Angeles County by only three-tenths of one percent! What a price you're being asked to pay to accomplish virtually nothing!

South Vietnam hospital has local ties

A former Campbell resident is making her "home" in Danang, South Vietnam.

Nancy Schraub Alvarez, Campbell High School class of 1958, and her husband, David, are managing a hospital in Danang. Nancy is a pediatrician and her husband is an orthopedic surgeon. They have two children; Jill, 2 and Aaron, 3.

They have been in Danang since last July and will be there until 1973.

Nancy's parents, Mr. and Mrs. Fred Schraub, 86 Carlyn, keep in close touch. In a recent letter, she complained of the "cat" problem in Danang. Her father had the answer. Before his recent retirement as owner of the Campbell Cage Co., he manufactured "cat traps" and speedily got one off to her.

In a recent letter she said, "Well, we are still here working. Upwards of 75,000 refugees have streamed by our front gate this past week in every conceivable vehicle!

"We watched them a couple of evenings after it got cool just going by in droves. Highway I at our front gate is the only way by ground out of the northern area (Hue, etc.) so they all come that way.

"By huge cattle-like trucks, by Honda, by bus, by tractor. For now the flow seems to have slackened, but if Hue is hit, we will probably see another bunch.

"Eighteen thousand of these refugees have moved onto the large old Marine Base next door to us. We have all been busy and working late and hard but really not minding so much as we return to the comforts of home after we are through while everyone we see seems to be displaced and homeless and with kids who are dirty, tired and sick.

"There is a measles epidemic among the refugees and lots of diarrhea.

"Meanwhile we remain in good health and our kids, oblivious to what is going on, play in the sand and watch helicopters!"

Before her marriage, Nancy attended Wheaton College in Illinois and University of California. She and her husband are part of the World Service Organization task force. The hospital where they are working is a pediatric hospital. Two other doctors are working with them.

Their home is near the ocean and one of the dangers is the typhoons which can strike their area.

Mr. and Mrs. Schraub try to send needed items to the Alvarez family. Schraub's hobby, since his semi-retirement, is making wooden jigsaw puzzles--a pleasant addition to the hospital's toy cupboard.

SANDBAGGED -- The home of David and Nancy (Schraub) Alvarez, has a rather barricaded look. The residence, located in Danang, South Vietnam, is sandbagged against typhoons and protected against mortar fire.

FAMILY PORTRAIT---Surely when Nancy Schraub Alvarez graduated from Campbell High School in 1958, she didn't expect to be a part of the hospital staff in Vietnam 14 years later. Nancy and her husband, David, pictured with their children Aaron and Jill are working as doctors in a children's hospital in Danang.

NATIVE COSTUME---Two year old Jill Alvarez, granddaughter of Mr. and Mrs. Fred Schraub, 86 N. Carlyn, dresses like a Vietnamese child, but her blonde hair belies her. Jill and her brother Aaron, 3, and her parents, Dr. and Mrs. David Alvarez are living in Danang, South Vietnam.

BASENJI SHOW

Owners of Basenjis, a breed of dogs that don't bark, may show their animals on Saturday, May 27, when the Basenji Club of Northern California is holding its third sanctioned match at Senter Park on Coyote Creek, San Jose.

A luncheon will be served on the grounds for $1.50. For more information, or entry blanks, phone (408) 377-1956.

Novel classes enrich college

As a response to industry's need for electronic technicians, West Valley College is offering a one year program in mobile communications.

College trustees recently approved two courses for the program, which will be offered in the evenings.

The classes will cover basic maintenance, repair and operation of mobile electronics equipment.

Another innovative course recently added to the college curriculum, is basic Chinese cooking, which will be taught beginning this fall.

The trustees also decided to add eight short courses for adults, in subjects ranging from woodcraft and toy construction to weight training, all to be taught through the school's Office of Community Services.

FIRST IN ARCTIC

In 1942, the Canadian Northwest Mounted Police Schooner St. Rock completed the first west to east transit of the Arctic Seas.

New officers plan a booth

An upcoming project for the newly installed officers of the Santa Clara Valley District Garden Club will be a garden plant booth in the Ming Quong Strawberry Festival, on Saturday and Sunday, June 3 and 4.

Proceeds from the event will be used for the children of the Ming Quong Home.

Persons interested in donating potted plants for the booth may phone 293-2294 or 378-6374.

Campbell Capers

by Jeanie Harris and Doreen Henner

Two outstanding senior students from Campbell High School will be participating on May 25 in the Bank of America zone competition for a possible $1000 cash prize.

Sindy McKay will be competing in the field of fine arts and Dave Rosenthal in the field of liberal arts.

Both Sindy and Dave were chosen as number one participants in our district against approximately 10 other schools and will compete in Monterey with other first place winners of seven separate zones.

The students are asked a general question in their field and are scored by a panel of judges on such things as poise, number of school activities involved in, grade point average, and their responses to the question.

The day's activities will be concluded by an awards dinner at the Del Monte Hyatt House where the winners will be announced and the participants will receive their prizes.

With the school year nearly at an end, the Campbell High tennis team is winding up a fairly successful season.

Coached for the last three years by Paul Petrianos, the tennis team has high morale and good prospects for next year.

Says Coach Petrianos: "I have really enjoyed coaching the tennis team. They are a great bunch of guys and we've had a lot of fun."

This year's Most Valuable Player award went to Mike Grindon, senior.

The most improved tennis player this year was Scott Wungluck.

Other tennis "greats" most of whom will be back next year are: Chris Holt, Dale Lewis, Tim Moore (alias Dick Decent), George Muller, Paul Wen, and Denny "S" Malone.

The coach of the tennis team next year will be Mike Spitzer.

HOLDING COURT---Ray Carreon, king, and Melba Ponce, queen, dream of holding court atop the haystack where they were just crowned by Bill Podgorsek, Campbell mayor. The royal ceremonies were a highlight of carnival held recently at Hamilton School.

LUCKY FIND --- Youngsters take a grab into the depths of Mrs. Nancy Kolstad's many gaily decorated pockets. She holds up, what for one child, was a lucky find. The "pocket lady" was just one attraction at the Hamilton School carnival held recently.

RAFFLE WINNER --- Even though she doesn't quite reach the pedals yet, Nadi Jubran is still plenty excited about the Sting Ray bike she won in a raffle held during Hamilton School's recent Country Fair Carnival.

Camp welcomes Campbellites

Campbell families have the chance to enjoy fresh mountain air, catch a trout, or just relax at San Jose's Tuolumne Family camp near Yosemite National Park.

Lakes at the camp, open now till June 12 for a preview of the regular summer season, are stocked with German Brown and Rainbow Trout.

Regular program at the camp, which runs June 19 to September 1, includes fishing, swimming, craft workshops, nature walks for children, meals served three times daily and child care arrangements.

Cabin tents, restrooms and showers are available. For reservations and rate information, phone San Jose Parks and Recreation Department at 277-4000, ext. 4661.

Campbellites direct Center

A pair of Campbell residents are filling top offices on the board of directors of Eastfield Children's Center, 251 Llewellyn, as the result of elections at the recent annual meeting.

Mrs. Ronald Rimkus of 1329 Arroyo Seco Drive, president for the past year, will continue in that position while Mrs. Stephen Goodman, 1352 Bent Drive, is the new first vice-president.

At the annual meeting, a luncheon held at Zorba's, F. Jerome Doyle, executive director, outlined future plans for Eastfield, a United Fund Agency for treatment of emotionally disturbed children.

A major objective is to extend the Eastfield service area by taking treatment programs into neighborhoods to reach youngsters who cannot get to Eastfield, as an extension of the day treatment program youngsters now attend at Eastfield.

Other types of treatment offered by Eastfield include residential, out-patient, foster home and group home.

Working with Mrs. Rimkus and Mrs. Goodman as officers of Eastfield during the coming year will be Robert Lindsten, second vice-president; Marshall Randall Hall, treasurer; Douglas Pavese, assistant treasurer; Mrs. Richard Maddux, recording secretary; and Mrs. Vivienne Bluhm, corresponding secretary.

Elected to three-year terms on the board were Mrs. John Armstrong, Ernest H. Renzel, III, Mrs. Don Schroeder, Herm Shaver, Mrs. Bernard Berg, Noel Gassett, Mrs. Goodman, Robert Lindsten, Rex Morton and Ed Thompson. The first four came onto the board for the first time; the others were re-elected.

Also on the board of directors are Clark Bassett, Douglas Beattie, Alden Danner, Mrs. William Dok, Mrs. Grant Powell, Mrs. Gerald Schmidt, Mrs. Grant Shimizu, Mrs. Bernard Axelrad, Mrs. Betty Normandin, Dr. Michel Stein, Mrs. Deloris Tenneson, Jack Kingsbury, and Mrs. Maxine Smiley.

"Student Power" breaks through to make a clean campus

Students at Blackford School in the seventh and eighth grades went on the "rampage" recently and cleaned up their campus.

They swept walks, scrubbed walls, polished windows and generally gave the grounds a good sprucing-up.

Included in their day's activities was a shrub-planting, which proved to be a little harder than they had anticipated, since equipment to dig holes along their Leigh Avenue fenceline did not arrive and the young men of the school had to wield picks to prepare the ground.

CLUB TO TEMPT

Spaghetti lovers will have a field day at a dinner being held by the Women's Service Club of Campbell on Thursday, June 8 from 5 to 8 p.m. at the Spitfire Charbroiler, 510 E. Campbell Ave.

Proceeds from the $1.05 ticket price will be used for community needs, and scholarships.

For more information on the spaghetti feed, phone 378-3045.

DRAMATISTS TO SPONSOR

A flea market, cake walk, bake sale are among the activities sponsored by the Cambrian WSCS Drama Group from 10 a.m. to 3 p.m. on Saturday, May 27 at the Cambrian Park United Methodist Church, Leigh Avenue and Gunston Way.

Interested persons may rent tables for $3, by phoning 377-8155, or donate rummage at the church office.

Rummage pick-up may be arranged by phoning 377-5413.

Student summer music program deadline extended to June 2

Campbell area children, fourth through eighth grades, will again have the opportunity to attend a summer music program at Campbell Elementary School, according to Ed-Tonini, director.

Each year the program, which will commence July 5, offers youngsters instruction in string, woodwind, brass and percussion, culminating with a program on August 3.

The program this year will vary from previous music programs because no transportation is offered to students and parents will have to form car pools or provide other means of getting their children to the school.

Traditionally, the program has also included a field trip to the Ice Follies, but this year there are no San Francisco performances of the follies during the summer session. At present, Tonini is seeking an alternate activity for the youngsters.

Deadline for enrolling in the music program has been extended to June 2. Teachers will be Wally Johnson, Joe Cathey, Bill Resch, Al Alarid, Mike Wells, Don Bryant, Ken Taylor and Dave Dunton.

Other summer programs offered in the elementary district include daily recreation from July 5 through August 4, and a library program which will service 17 schools at least three hours per week.

Rolling Hills School will again hold a gymnastics program under the direction of Don Peckham and Monroe and Blackford Schools will have an industrial arts program under the direction of John Rowland and Alex Hatalsky.

Brochures on the music, gymnastics and industrial arts program can be obtained by contacting any local elementary school, or by calling Mrs. Melva Miller, 378-3405.

Teens explore world culture

Professional musicians and high school dancers will combine talents with the Rolling Hills Jr. High band, orchestra and choir for a "Cultural Heritage Festival" at the school from noon to 3 p.m. on Friday, May 26.

Along with the continuous entertainment on the outdoor stage, booths representing 12 different cultures creatively present information about each country, its people, their clothing, traditions and language.

Throughout the afternoon, hungry students and guests will have a chance to sample an array of foreign foods, since the cafeteria will be transformed into an international kitchen.

Entertainment lined up for the festival includes Black Dancers from Milpitas High and two professional groups, Mariachis "Los Abejnos" and Oriental Musicians who will play a variety of native instruments.

After American Indian dancers finish their routines at 2:50, the school's band, orchestra and choir will round off the cultural event.

Campbell Hospital Auxiliary installs officers at luncheon

Campbell Community Hospital Auxiliary installed new officers at a luncheon at Villa Felice last week and awarded pins for service to 18 of their members.

OFFICERS WELCOMED---New officers of the Campbell Community Hospital Auxiliary are offered the keys to the building by Jerry Schutz, hospital administrator. Left to right are Schutz, Mrs. Mahlon Caine, president; Mrs. James Malone, treasurer; Mrs. Sidney Hammer (seated), vice-president, and Mrs. Alta Martin, secretary. The auxiliary officers were installed at a recent luncheon at Villa Felice, where pins for volunteer service were also presented.

Mrs. Kathleen McGaw, director of nurses, awarded eight-year pins to Mrs. Eric Schramm, Mrs. Millie Jurras and Mrs. Tom Smith. Four received pins for seven years service: Mrs. Carl Mattison, Mrs. Sidney Hammer, Mrs. Mahlon Caine, and Mrs. James Gillespie.

Mrs. Dee Burton, Mrs. Jo DeTracey, Mrs. Mary Federer and Mrs. James Malone received six year pins. Mrs. Ann Hageleit for three years and Mrs. Norine Kovar for two.

Completing one year's service were Mrs. Bev Hutton, Mrs. Ann Furtado, Mrs. Ida Yerkovich, Mrs. Lucile Vrodeur and Mrs. Helen Martyn.

Following the awards, new officers were installed. Mrs. Mahlon Caine will serve as president; Mrs. Sidney Hammer as vice-president; Mrs. James Malone, treasurer; and Mrs. Alta Martin, secretary.

The auxiliary's gift to the hospital for this year was a new carpet for the reception area and drapes for the windows.

LUNCHEON INSTALLATION---Bearing bouquets and wearing orchids, new officers of the Santa Clara Valley District Garden Club were installed at a recent luncheon meeting. Conducting the installation was Mrs. Wallace F. Hirsch (second from left) who is the first vice-president of the California Garden Clubs Inc. New officers are (from left) Mrs. Jack Lindquist, director; Mrs. Ralph Byington, assistant director; Mrs. Clyde McGee, recording secretary; Mrs. John Coughlin, corresponding secretary and Mrs. O.M. Baycura, treasurer.

Hospital has eye care fund

A fund for equipping an ophthalmic center at the Good Samaritan Hospital of Santa Clara Valley is now being established.

The center, to be in Phase Two of the community hospital, will consist of an operating suite and diagnostic examining room.

Equipment will include advanced microscopes, freezing instruments, laser units and retinal cameras.

Phase Two of the Good Samaritan Hospital is now under construction, with an opening date scheduled for 1974.

Information about contributions to the eye center, as well as to other units of the non-profit, community hospital, is available from Dr. Boswell, the Good Samaritan Hospital.

Musicians play at West Valley jazz, classical

West Valley College's Symphonic Band and Jazz Ensemble, two student groups, both directed by Joe Davis, will perform in concert on Thursday, May 25 at 8 p.m. as part of the college's eighth annual Fine Arts Festival.

Davis, music teacher at the college, will lead the Symphonic Band in "Canzona" "Sinfonia Nobilissima" while the Jazz Ensemble will play several pieces from the Count Basie library.

The ensemble will again perform at the college on Tuesday, May 30, featuring selections from the works of Buddy Rich, Stan Kenton and Count Basie and others.

Davis, who started his musical career with piano lessons at age six, has played trombone in concert with the Santa Clara Philharmonic and the San Jose Symphony.

Tickets are not required for the admission-free concerts, which will be held in the college's Campbell campus auditorium, Winchester Blvd. and Campbell Avenue.

Thelma Fitch, worthy matron and Vince Volkey, worthy patron will preside at the 8 p.m. meeting.

Camp Fire Girls

by Ellie Rumbaugh

The Blue Bird, Camp Fire and Discovery Club leaders of District Nine received step-up training at a workshop held at the Saratoga Youth Center.

The training gave them an insight into next year's program of working with the girls.

Later in the week they received cook-out training at Oak Meadow Park in Los Gatos.

They learned to cook bacon and eggs in a paper sack, pocket stew, gingerbread-applesauce cake and other camping treats.

Adult recognition for service to the girls was also given at the park.

The awards were presented by Pat Kaiser, assistant director of Camp Fire Girls for Santa Clara County.

Receiving five year membership pins were: Linda Barry, Mary Dudley, Carol Ellis, Rita Field, Nancy Green, Jean Dellenback, Marilyn Gum, Marilyn Hume, Hilda Jain, Fern Jolimay, Pat Kelker, Geneva Keever, Elaine Laflin, Kathleen Medeiras, Rosalie Patterson, Fran Sneed, Joanne Mohr, Ellie Rumbaugh, and Jean Slaght and Bev Kelly.

Receiving ten year membership pins were: Kay Cook, Bev Kelly, Ellie Rumbaugh, and Jean Slaght.

Campbell poets garner prizes

Ben Sweeney, Burrows Road, Campbell, was recently awarded the first prize in the Tanka division of a recent contest sponsored by the California Federation of Chaparral Poets.

Sweeney, who has garnered other prizes for his succinct haiku poems, is an administrator at San Jose City College.

Another local poet, Edwin Falkowski, 208 W. Latimer Ave., won a third prize, also in the Tanka division of the contest, which was held recently in Santa Barbara.

Falkowski has poetry published in the April issue of the international monthly, "Poet".

School holds spring concert

An orchestra, band and chorus will be featured at Campbell Elementary School's annual spring concert on Thursday, May 25 at 7 p.m. in the school's multi-purpose room, 295 Cherry Lane.

Performing under the direction of Ed Tonini will be the intermediate ensemble, intermediate orchestra and the school band.

Mrs. Eleanore Scherer will lead the sixth grade chorus in a program of patriotic theme narrated by Tammy Wong and highlighted by a recitation of Nathan Rodney's.

Elizabeth Michell will sing a solo and Bonnie Buell and Maryann Schuck will blend their voices in a duet when Mrs. Carol Eason's upper grade chorus takes the spotlight.

A Home and School Club meeting and installation of officers for the coming school year will precede the musical event.

Incoming officers are Virginia Vaughn, president; Ron Clancey, vice-president; Barbara La Due, recording secretary; Carol Raines, treasurer; Bob Fedde, auditor; and Marcella Williams, corresponding secretary.

RAPID GROWTH---Mrs. Wallace F. Hirsch, state membership chairman for California Garden Clubs Inc., awards a membership certificate to Mrs. Charles Buran and Mrs. William Morgan. Mrs. Buran is past director for the Santa Clara Valley District Garden Club and Mrs. Morgan is district membership chairman. The Valley Garden Club was awarded the certificate for being among the most rapidly growing groups in the state.

Moose Lodge celebrates birthday

Charter members of the Campbell Moose Lodge No. 1811 and their wives will be honored with a barbeque steak dinner at a dinner dance on Saturday, June 3, as a highlight of the club's fifth birthday celebration.

George R. Reilly, past supreme governor of the Loyal Order of Moose, will preside at an enrollment of new members, which will culminate the birthday festivities on Sunday afternoon.

Campbell Moose Lodge was officially instituted with 100 charter members on June 3, 1967 in the American Legion Hall, Dell Avenue.

The Lodge operated on a limited schedule in the hall for one year but moved to the present location at 785 McGlincey Lane in August, 1968 because of the membership's growth.

According to Wayne Shaddox, the Lodge governor, membership of the group, which has sponsored a Little League team for the past four years, is still growing steadily.

NEW OFFICERS TO BE ELECTED

As the school year is coming to an end new class and ASB officers are being elected.

The all-school election is to be held this Friday, May 26. In the race for ASB president is Jeff Cunningham and Jim Pope. Running unopposed for vice-president is Carolyn Utzerath.

Running for the three open student council seats are: Lynne Bonasera, Alan De Shields. Joe Walters, Krista Kmetz, Willie Wells, Kathy Kirano and John Yegge.

In the race for next year's senior class president is Wes Toland, Orval Osborn, and Scott McQueen.

Candidates for class vice-president are Robbi Thornburg, Ben Bittle and Susan Antisdel.

Other unopposed class office candidates are Sharon Root for treasurer and Lisa Johnson for sergeant at arms.

Also running for class secretary are Ann Walls and Sonja Schlichting.

SPRING SPORTS FEATURED

Camden High held their Spring Sports Banquet, Monday, May 22 in Camden High's quad from 6 to 9 p.m.

The sports involved were: tennis, baseball, track, swimming and golf.

A newly constructed barbeque pit which the Booster's Club built was used to cook the dinner menu of barbequed steak, french bread, a salad and pork 'n' beans.

The banquet was to honor all athletes and especially those who had excelled above their teammates.

SPRING CONCERT

Camden High hosted their annual spring concert last Friday, May 19 in the Camden cafeteria beginning at 8 p.m.

The musical entertainment for the evening was provided by the band, headed by Mr. Benner and orchestra and the choir, which were led by Mr. Neff.

Some of the songs played by the orchestra were: "Deirdre," "Andante and Allegro," by Mozart and "Dance Macabre."

Some of the musical numbers performed by the band included: "Bacharach and David," "Spirit of '76", and "Black is the Color of My True Love's Hair."

The choir sang such songs as: "Battle Hymn of the Republic", "Alleluia", "Oliver!" and "Bridge Over Troubled Waters."

Soloists of the evening were: Jeff Cunningham, tenor, singing, "Sanctus": Larry Kondo, baritone, "Ev'rytime I Feel The Spirit"; and Cecilia Clumpny singing "Who Will Buy," from "Oliver!".

One of the highlights of this evening of musical entertainment was a barbershop quartet composed of Rich Costick, bass; Larry Kondo, baritone; Jeff Cunningham, lead, and Robbi Thornburg, tenor.

The quartet sang, "Coney Island Washboard."

SENIOR BALL A SUCCESS

Camden High's senior ball, said to be the most elegant affair of the year, went over beautifully Saturday, May 13.

The senior ball, "Sparkling In The Sand," was held at La Rinconada County Club from 8:30 p.m. to around 12 midnight and hosted approximately 250 people.

The music provided by the group, "The Chosen Few," was excellent and varied for both slow and fast dances.

This year's senior ball will be remembered by many people who attended this delightful evening. I would like to extend my personal thanks you to the members of the senior ball committee, Todd Hancock, Rick Randazzo, Mike Cofforo, Joyce and Julie Nelson, Nancy Coleman, Michele Kaneko, Steve Espinoza and Paula Goetz for helping make this an enjoyable and memorable evening.

I would also like to thank the many faculty members who were behind the scenes helping to improve this year's senior ball.

"SENIOR HOLIDAY?"

As the school week began a few days ago Monday, May 22, Camden High just didn't seem to have that same old zest. That certain kind of zest; that certain kind of feeling every high school has on a Monday.

Everyone seemed to be puzzled at first but then a "rumor" bounded through the corridors that Monday the 22nd was a senior holiday and there were no seniors at school.

As some freshmen must have thought, "senior holiday---what do the seniors get a holiday for?"

Well he must have really been stunned when told, "It's when all the seniors go to Santa Cruz for a day of frolicking in the sun, and all because he is a senior."

It all started when a lot of the seniors at Camden left on buses from Cambrian Plaza Shopping Center at 9 Monday morning and returned at about 5:30 p.m.

Once at the boardwalk at Santa Cruz the seniors encountered such things as football games, bumper cars, throwing all the advisors in the water, swimming, and just plain having fun.

There was a free lunch of ham, turkey, cheeses, lunch meats, and other assorted "goodies" for the students to munch on.

Advisors for the trip, most of which felt the cold waters of the Pacific, were: Mr. Stiles, Mr. Craig, Mr. Andree, Mr. Todd, Miss Gulfo and Miss Hunt.

Others who might have taken a quick dip were: Mr. Lee, dean; Mr. Wilson, senior counselor; Mrs. Pate, senior counselor; Mr. Purcell, activities director, and Mr. Crawford, principal.

NETMEN WIN

As the session closed on the Cougar netmen, Camden found themselves with one last win.

Last Thursday, May 18, the Cougars from Camden met and defeated the Braves, 6-1 on Blackford's home courts.

Ending the session out with wins in the varsity competition were: Jeff Addington winning at his number one spot, 6-1, 6-1; number two man, Jeff Sheets, 6-2, 6-2; number three man, Simon Wong, 6-2, 6-0; number four man, Mike Weyers, 9-7, 6-2 and rounding out the varsity squad with a win was Joe Schafer, 7-5, 6-4.

The varsity second doubles team consisting of Dennis Swan and Peter Bolino won their match 6-4, 6-2. The only defeated varsity netmen were the combined efforts of Jamie Richardson and Larry Kondo for a loss in the first varsity doubles team.

Some of the J.V. winners against the Braves were: Don Benson, 6-2; Mark Jones, 6-1; Greg Addington, 6-4 and Les Flurey, 6-4.

The Cougar tennis players also selected Simon Wong, number three man as most improved varsity player, while Jeff Addington was chosen most valuable player and will be awarded a trophy. Most improved J'V. player elected was Greg Addington.

LEGAL NOTICE

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER REQUIRED FOR HIGHWAY PURPOSES
S.D. No. 3
Project: Central III
Parcel No.: 2813-35 EX

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Sixteen Thousand Dollars ($16,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Co., 300 South First Street, San Jose, escrow number 154960. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of One Thousand Six Hundred Dollars ($1,600.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent (10%) of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or

(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that on July 12, 1972 at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., July 12, 1972, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on May 2, 1972, by the following vote:
AYES: Supervisors: Mehrkens, Sanchez, Quinn, Calvo, Cortese.
NOES: Supervisors: None

LEGAL NOTICE

NOTICE TO CONTRACTORS

The Board of Education of the Campbell Union School District of Santa Clara County, State of California, invites and will receive sealed proposals up until 2:00 P.M., June 6, 1972, at the School District Office, 155 North Third Street, Campbell, California, at which time and place said bids will be opened and read in public, for furnishing all labor and materials for Fire Damage Reconstruction, Quito Elementary School, San Jose, California.

Work must be done in strict accordance with the Drawings and Specifications prepared by and obtainable at the office of the Architect, Higgins & Root, Associates, A.I.A., 400 Blossom Hill Road, Los Gatos, California.

A deposit of $25.00 per set will be required from all contractors receiving plans, said deposit to be returned by the Architect when Drawings and Specifications are returned in good condition.

All bids are to be made out on forms furnished by the Architect. No bidder may withdraw his bid for a period of thirty (30) days after the time set for the opening thereof.

The Board of Education reserves the right to reject any or all bids and to waive any informality in any bid received.

Each bid must be accompanied by a certified check, cashier's check or bidder's bond made payable to the order of the Campbell Union School District in the amount of ten per cent (10%) of the tendered bid, as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board of Education in accordance therewith.

The successful bidder will be required to furnish a bond for faithful performance in the amount of 100% of the contract price, and a bond for material and labor in the amount of 100% of the contract price.

The work to be performed under this contract shall commence at once and shall be substantially completed within one hundred sixty (160) calendar days from and after date stated in Owner's "Notice to Proceed". Time shall be the essence of this agreement. The substantial completeness of the work to be performed shall be within the determination of the supervising Architect alone, and the parties signatory hereto agree that this determination shall be final.

Should said work not be completed within the time hereinabove stated, there will be deducted from the final payment the sum of One Hundred and No/100 Dollars ($100.00) per calendar day, as liquidated damages but not as a penalty, for each day's delay after the expiration of such period until the final physical completion of the work and its delivery to said Owner.

Workmen employed in the work must be paid not less than the latest prevailing scale of wages adopted by the Board of Education. See Labor Code, Section 1773, Wage Rates, which has been adopted and published by the County of Santa Clara Board of Supervisors and the Campbell Union School District Board of Education - said wage rates published in the San Jose Post Record on December 29, 1971.

Ordinary overtime, one and one-half times the above rate, legal holidays, Saturdays and Sundays where crafts work a five-day week and/or where schedule of crafts so provide overtime shall be paid at the rate of double time.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

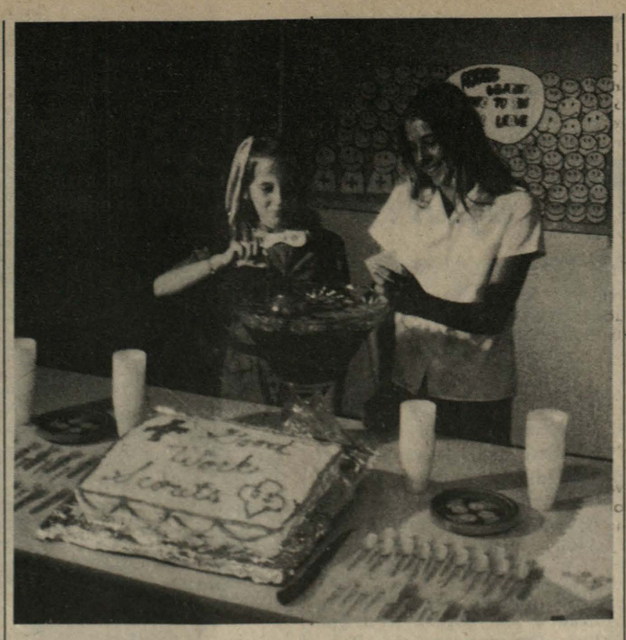
PRACTICING---Chloe Jesson, Girl Scout, troop 859, kneels to demonstrate artificial respiration on Dee Dee Edgin, troop 1047, during a first aid course the girls attended. Red Cross instructor Ron Edmondson gives advice to the girls.



HOSTESSES --- Kim Szeker, Girl Scout, Troop 859, and Debbie Turk, Troop 1047, prepare to serve cake and punch during the graduation celebration of the troops for their completion of the newly-revised Red Cross Basic First Aid course, held in the Los Gatos chapter house.

GIRL SCOUT News

by Erlene Cleveland

Approximately 50 Girl Scouts from Neighborhoods 12 and 15 gathered together recently in an inter-troop training course, the first of its kind to be given in Santa Clara County.

For seven weeks, girls from junior troop 1047, Bucknall School, and junior troop 859, Howes School, met regularly at the American Red Cross chapter house in Los Gatos, to participate in the newly-revised basic first aid course.

Ron Edmundson, first aid instructor for this area chapter, employed an opaque projector, loaned to the group by Bucknall School, to teach this large group. Edmundson stated that this was his first experience with this age group and he was impressed with the exceptional response of the girls.

Certificates of completion and armband patches were awarded to:

Troop 1047, Bucknall School: Anne Martin, Valerie Tasker, Deborah Turk, Kathy Militante, Kim Agliolo, Jacquie Allan, Dawn Bedard, Debra Cavit, Dee Dee Edgin, Denise Martin, Gaylene Medefesser, Cori Boatman, Heidi Hitomi, Lisa Meyer, Lora Ferlic and Lisa Henreckson.

Leaders are Mrs. William Tasker and Mrs. Franklin Militante.

From Troop 859, Howes School: Kim Szeker, Chloe Jessen, Karen Hennessey, Margret Ortholf, Pam Bevan, Becky Davis, Laurie Eckert, Denise Edmondson, Lesley Goldhorn, Carol Hansard, Laura Hussey, Gracie Kramer, Diane Niederer, Karen Schilling, Brenda Schlegel, Margie Szeker, Tina Traeg, Lezlie Turner and Marcy Wilkinson.

Leaders are Mrs. Eugene Eckert, Mrs. Ronald Edmondson and Mrs. Robert Niederer.

The remainder of the girls in these two troops will complete the course this coming June.

TROOP 825

Skylark Girl Scout camp, just off Highway One, was the site of a recent weekend camping trip by 22 girls from junior troop 825.

Mrs. John Halliwell, troop leader, and three troop mothers chaperoned the group.

Highlight of the trip occurred during an intertroop campfire program with a Palo Alto Girl Scout troop, when the visiting group "kidnapped" the girls from 825, "dragging" them, via gunnysacks, to their own camp site for a special evening program.

Campbell Artist's Guild

Geneva Heald, retiring president of the Campbell Artists Guild, installed the new slate of officers at a general meeting in April.

The incoming officers who will serve on the board are Loretta Ostrom, president; Mel Flitcraft, vice-president; Claudia Tillman, secretary; Marion Marion, treasurer; Cathie DeMattie, membership; Ruth T. Earl, publicity; Marietta Lewis, show chairman; Darwyn Patz and Jeanette Pang, exhibits; Jackie Flitcraft, sunshine; Gene Glissman, hospitality; and Regina Greenleaf, newsletter editor.

Members of the Artists Guild chose Fred Clausen as Artist of the Month at the general meeting.

A native Norwegian who has worked with the club since 1966, Clausen won the award for a 4 by 5½ foot street scene.

At the group's birthday party last month, Jackie Flitcraft was selected "Artist of the Year" from among the last 12 "Artists of the Month."

Residents sing with Chorale

Nils Peterson, Daryl Thompson and Mr. and Mrs. Robert Balkow will be among the Campbellites singing with the Santa Clara Chorale when it presents its final concert of the season at 7:30 p.m. on Sunday, June 4.

Lynn Shurtleff, assistant professor of music at the University of Santa Clara, will lead the Chorale, which will perform in the Mission Church on the college campus, free of charge.

Mary Balkow, soprano, will be among the soloists for Bach's "Magnificat," which is on the program, along with music from Bernstein's work, "The Lark."

PROPOSITION NINE

Nuclear power problems will be hashed over during a public debate on Proposition Nine, being held at 8 p.m. on Friday, May 26 at John Muir Jr. High, 1260 Branham Lane.

Cyclethon nets charity funds

A bicycle cyclethon will be staged at five county sites on Saturday, June 3, for the benefit of both the Santa Clara County Heart Association and American Youth Hostels.

Riders may wheel around any of the courses, downtown San Jose, four miles; Cambrian Park, five miles; Silver Creek-Evergreen, 10 miles; DeAnza-Cupertino, four and a half miles and Lockheed-Sunnyvale, six miles.

Cyclists, who will receive contributions at a minimum of five cents per mile, may check in any time between 7 a.m. and noon.

Entry forms and full information may be obtained at either the Heart Association office, 1984 the Alameda, 248-1517, or at the San Jose Youth Hostel office, 1849 S. 7th St., 294-3020.

When you spend an evening out, the last thing you want to do is worry about your youngsters at home. Here are a few suggestions that may help both you and the babysitter relax.

Write down the names of the places you're going, the phone numbers and the approximate time you'll be at each place. Have emergency numbers, including the family doctor's written down, too. There are special blanks for emergency numbers on the inside cover of your phone book.

Taking these simple precautions before you leave home will make your night out more enjoyable.

Y.E.S. IS OPEN

Beginning this week the Youth Employment Service sponsored by the Campbell Chamber of Commerce will begin its operation for the summer of '72.

There are high school age girls and guys looking for jobs. They are interested in helping out in your home or business.

A REAL HEAVER---Heaving the discus was Mike Bassoni's specialty -- that is, until last week. Bassoni, a graduate of Camden High but most recently a competitor for the West Valley College track squad, tried his hand at the javelin and it turned out quite successful for him. The Viking tossed the spear 158'9" for fifth place at NorCal.

TRACK

A pair of personal bests highlighted the action last week for West Valley College as only four Vikings could qualify for the state meet to be held Saturday in Modesto.

Only four WVC tracksters could place in the event at Hartnell in Salinas, the Northern California championships.

Randy Carlson (Blackford) Mike Schaecher (Branham), John Murphy (Del Mar) and Mike Bassoni (Camden) were the four Vike placers at NorCal.

Carlson turned in his best effort of the year in the 880 but it was good for only third place. Carlson was just a tenth of a second behind the second place runner with a 1:53.5.

In the javelin Bassoni heaved a competition best of 158'9" for fifth place. Bassoni, normally a discus and shot put man, was throwing the spear for the first time in an actual meet.

In the mile the first four runners ended in somewhat of a pack, just a second separating first from fourth. But, unfortunately, Schaecher was at the back of that pack. The sophomore ran a 4:17.5.

Murphy nabbed fourth in the triple jump by only a half inch as he soared 46'8¾".

FENCING

A fencing program is growing at West Valley College. Three members of the team grabbed high places in their individual divisions at the Northern California Fencing Association's standard foil novice meet of 1971-72.

Eight WVC fencers and their coach, Alice Parsons, headed to competition in San Luis Obispo with Cal Poly, San Francisco State and City Colleges, San Jose State, Stanford, California at Davis and Sonoma State.

Margo Brown nabbed a seventh in her class. Gary Trimble and Keith Ward topped that by finishing third and second, respectively, in their division.

West Valley sent another group into competition again last weekend at Laney. Ward and Gould were joined by Gene Wong on the men's team while Jackie Earl, Linda Shaw and Dolores Lawson made up the women's squad. Paul Jones, Bob Schmidt, Chris Hollosi, Pat Pudes and Margaret Reynolds went along as individual competitors.

Forestry division opens fire season month early

Fire season has officially opened in the Santa Clara Ranger unit of the California Division of Forestry, according to Ross Dunwoody, ranger-in-charge.

Concern for the wildlands was expressed by Dunwoody because of the lack of spring rains, the early dry condition of the grasses, and the prospect of a hot, dry summer.

Normally, the Division does not open the wildland fire stations until about June 1. However, this year vegetation and weather conditions make it necessary to open a month earlier.

Dunwoody pointed out that "It takes more than the manning of fire stations to protect the wildlands from fire. It takes an awareness on the part of the people who use the wildlands to prevent their activities from causing a fire."

He adds that wildfires destroy more than the average person realizes. Wildfires destroy the vegetation, pollute the air, the streams and lakes with ash, mud and debris wher the rains come, not to mention the thousands of dollars damage done to homes and improvements.

Dunwoody is making a plea for all people to assist the fire services in preventing a disastrous fire year. He pointed out that the Division will be stepping up their fire prevention activities in order to educate the public to the causes of wildfires, and promised criminal and civil law enforcement would be used against those who cause a wildfire.

College women give $600 sum

The 30-member Madrigal singers provided the entertainment when the Faculty Women and Faculty Wives of West Valley College honored their scholarship recipients at a recent meeting in the home of Mrs. Wallace Hall.

A total of $600 in scholarships was given.

4-H CLUB MEMBERS

by Bret Bauer

On Friday, May 5, Campbell 4-H had their community meeting at Coventry School.

We had a review of the "Share-the-Fun Contest" and the gold award certificates were given to all the 4-H'ers who were in the skit.

It was Mother's Night and all the girls who were in dress revue and who are going to be in the "ABC Debut" put on a fashion show for the mothers and guests.

Nora Smith won a gold award at dress revue and is a first alternate in the county to Davis.

Our rabbit project is doing very well with two grand champions. Clarissa Bauer made a champion of her Chocolate Havana and Bret Bauer made a champion out of his Champagne D'Argent.

Belinda Handley has legs on her Californian with one leg to go.

Our next community meeting will be our project tour and a picnic at Campbell Park at 10 a.m. on Saturday, June 3.

Come and see our projects on display.
